Commissioner Jane E. Henney  
Parklawn Building, Rm. 14-71  
5600 Fishers Lane  
Rockville, MD 20857

Dear Commissioner Henney:

We are very much in favor of banning the use of antibiotics in animal feed. Already bacteria in humans are becoming resistant to antibiotics, and we believe that the antibiotics in animal feed contribute to this resistance. This is not a proper use of antibiotics!

Yours truly,

Mr. & Mrs. Lawrence Lewis  
2119 Belloc Ct.  
San Diego, CA 92109

99P-0485

C 435

Mr. & Mrs. Lawrence Lewis
